HOW TO GET YOUR ORDER TO SICAT?

SICAT Pick-Up Service

This is the easiest way to get your order to SICAT. SICAT will take care of filling out the air waybill as well as the proforma invoice¹. Here is how it works:

1. Fill out completely the pick-up order form.
2. Fax the pick-up order form to SICAT. Please note that pick up can take place at the earliest on the next working day (working days are Monday to Friday except German public holidays).
3. Soon you will get a confirmation as well as some documents via e-mail which you need for the shipment.
4. Print out the shipping documents (4 copies of pro forma invoice and airway bill), sign the proforma invoices and add 3 of each documents to the transparent plastic pouch of your shipment. Keep one of each for your own records. **Please note that it is important that only the person that was mentioned as contact person on the pick-up order form signs the documents!**
5. FedEx will pick up your parcel, which you should place into a FedEx Padded Pack before sending. You can get the FedEx Padded Pack from the FedEx driver.
